

#### About Bentek

Founded in 1985, Bentek is a leading EMS provider of high-complexity, low-volume assemblies to capital equipment manufacturers as well as emerging high-tech industrial companies in the semiconductor, flat panel, defense, solar, and RFID sectors. In the past year, Bentek has also developed a family of solar combiner products serving the needs of utilities and large commercial solar installations. Headquartered in San Jose, California, Bentek services include product design, engineering services, cable and harness assembly, box build, large scale and complex system integration and test.

Job Location: San Jose, CA
