Bentek receives over 10 million feet in new orders for its 2 circuit parallel cable harness

SAN JOSE, CA — April 2017

Bentek, announces orders for its 1500VDC line of 2 circuit parallel cable harness have exceeded 10M feet. Bentek has over 30 years of design and manufacturing experience in a broad range of both AC and DC OEM power distribution products for the residential, commercial and utility-scale solar PV marketplaces.

“We have seen great success with our Bentek 2 circuit parallel cable harness solutions selling over 10M ft. Our highly configurable cable harness solutions complement the 1500VDC UTS2 combiner box line and are available in 1500VDC ratings utilizing any commercially available 1500VDC branch connectors and in-line fuses. These unique Bentek 2 circuit parallel cable harness solutions reduce the amount of cable by over 50% while reducing costs by over 30% versus a typical cable harness. When Bentek 2 circuit parallel cable harness solutions are integrated with the Bentek 1500VDC UTS2 combiners in our ISO 9001 certified facility, combined savings of up to 50% can be realized” stated John H. Buckley, Executive of Sales and VP of Marketing for Bentek.

“With over 10GW of installed products including more than 75,000 string combiners shipped to date, we continued to be extremely pleased with customer acceptance of the 1500VDC product line. Bentek backlog continues to grow and we continue to see strong demand for our 1500VDC PV products” stated Mitch Schoch, President and CEO of Bentek.

For more information about the capabilities of the Bentek 1500VDC products please contact Bentek at 1-866-505-0303 or visit www.Bentek.com.

About Bentek

Founded in 1985, Bentek is a leader in engineered electromechanical and power distribution solutions for industrial applications. Bentek designs and manufactures products such as power distribution equipment, wiring harnesses, and custom OEM assemblies for the solar energy and semiconductor markets. Bentek is an ISO 9001 certified company. For more information, contact Bentek Solar at 866-505-0303, e-mail SolarSales@bentek.com or visit www.Bentek.com.
